

PRIVACY POLICY

1. INTRODUCTION

This privacy policy informs you of your choices and our practices regarding any personal information you provide to us. Your use of the application, plug-in and website of “MetaPush” platform (“Our Platform”) owned by Metalist Private Limited (“we” or “us”) involves the collection and use of your personal information. It is important for you to understand how this happens and how you may control it.

When you contract to use the application and website of Our Platform (the “Services”), you accept our rules and policies regarding your personal information and you expressly consent to us collecting, processing, using and storing your personal information, as described in this policy.

You acknowledge that you have read and understood this privacy policy. If you do not agree with this privacy policy, you must not use the Services. If you change your mind in the future, you may withdraw your consent to use of your personal information in accordance with this policy.

If you have any comments, questions or complaints regarding the processing of your personal information, you can contact us at feedback@metalist.io .

2. The Types of Personal Information We Collect

This section describes the different types of personal information we/third party collect(s) and how we/third party collect(s) it. We/third party will collect and use the following information about you:

- Information you give us.

You give us information about you:

- o when you register for the Services (including your nominated nickname, crypto wallet address in order to set up your profile);
- o when you bundle your MetaPush account with your account you registered with third party, such as Discord and third-party crypto wallet (including your ID and nickname of Discord, blockchain address and snapshot of NFT inventory)

- Information we collect about you.

We automatically collect certain data from you when you use the Services, including your IP address and device information and information regarding your use of the Services, such as date and time stamps of actions. We also collect and store your data each time you interact with us, for example, when you use in-platform support to communicate with us.

- Information you generate and display in the course of using the Services. You may also provide or generate information when you communicate with other users in the Services (e.g., chat log data, chat content).

3. Minors

Our Service is not intended for minors not reaching the age of majority in applicable jurisdictions. We do not knowingly or intentionally collect information about the minors. If you believe that we have unintentionally collected minor's personal information, you may request the deletion of the information.

4. How We Use Your Personal Information

We will use the information in the following ways and in accordance with the following legal bases:

Registration Information (nick name, crypto wallet address): We use Registration Information to set-up user accounts, allow users to use Services. We use this information with your consent to this Privacy Policy.

Device Information (Device ID, Device Type, Operating System, IP address): We use this information to provide and improve the Services such as: to record and keep track of requests from users of the Services; to detect the user network and device status when the user is using the Services; and to correct bugs or errors that occur when the user is using the Services. Use of Device Information is necessary to perform our contract with you to provide the Services.

Digital wallet address: We use this information to receive notification from the channels opted by you, and to access to smart contracts interacting with Our Platform. We use this information with your consent to this Privacy Policy.

ID of social network (ID of Discord): We use this information to receive notification from the channels opted by you. We use this information with your consent to this Privacy Policy.

5. How We Store and Share Your Personal Information

In order to perform our contract with you, your personal information will be accessible from and will be processed on our servers. Our servers are hosted on cloud servers such as Amazon Web Services. Your information may be transferred to and processed in countries outside the country you are located. We will take steps necessary to comply with applicable legal requirements, such as using European Commission approved Standard Contractual Clauses to protect your information. In particular, your information will be transferred to and processed in Japan where our central database is based.

We share your personal information with selected third parties in and outside your country, including:

- third parties that provide services in support of the Services, including third-party payment service provider for the purpose of providing payment services.
 - Amazon Web Services, located in the United States, that processes download and instalment information, account set-up and log-in information, user log information, purchase information, notification push information, social sharing information, on the basis of Privacy-Shield certified, for the purpose of hosting the Services;
 - Google Analytics, located in the United States, that may collect cookies, data related to the device/browser, IP address, app instance identifier and on-site/app activities to measure and report statistics about user interactions on the websites and/or apps.
- related group companies, with whom we share all of your personal information to operate the Services. The transfers contemplated above are made pursuant to our contract with you;
- law enforcement agencies, public authorities or other judicial bodies and organizations. We disclose information if we are legally required to do so, or if we have a good faith belief that such use is reasonably necessary to:
 - comply with a legal obligation, process or request;
 - enforce our terms of service and other agreements, policies, and standards, including investigation of any potential violation thereof;
 - detect, prevent or otherwise address security, fraud or technical issues; or
 - protect the rights, property or safety of us, our users, a third party or the public as required or permitted by law (including exchanging information with other companies and organizations for the purposes of fraud protection); and
- a third party that acquires all or substantially all of us or our business. We will disclose information to a third party in the event that we sell or buy any business or undergo a merger, in

which case we will disclose your data to the prospective buyer of such business. We will also disclose information to a third party if we sell, buy, merge or partner with other companies or businesses, or sell some or all of our assets. In such transactions, user information may be among the transferred assets.

6. The Security of Your Personal Information

We are committed to maintaining the privacy and integrity of your personal information no matter where it is stored. Our group companies have information security and access policies that limit access to our systems and technology. We also protect data through the use of technological protection measures such as encryption. Your personal information will remain subject to our technical and organizational controls and our policies and procedures (including this Privacy Policy).

Unfortunately, the transmission of information via the internet is not completely secure. Although we will do our best to protect your personal information, we cannot guarantee the security of the information transmitted to our services; any transmission of your information is at your own risk.

7. Data Retention

We will retain all of your personal information for the lifetime of your use of the Services (i.e. until account deletion in accordance with your request), we will delete the information as soon as we do not need them for the said purposes of processing, unless a longer retention period is required or permitted by applicable legislation.

When destroying personal information, measures will be taken to make the personal information irrecoverable or irreproducible, and electronic files which contain personal information will be deleted permanently using a technical method which makes the files irreproducible.

In the event that the processing and retention period have terminated, but personal information is required to be retained continuously for other reasons including for the purposes as prescribed under applicable laws, the relevant personal information will be stored and maintained separately from other types of personal information. If you require us to destroy your personal information before the end of its life cycle (as set out in the retention policy above), we will destroy your personal information in accordance with local laws).

8. Your Rights

This section (“Your Rights”) applies to users that are located in the European Economic Area only. For California Residents, please refer to section 10. For users located in other territories, please refer to the privacy clauses in our User Agreement.

You have certain rights in relation to the personal information we hold about you. Some of these only apply in certain circumstances (as set out in more detail below). We must respond to a request by you to exercise those rights without undue delay and at least within one month (though this may be extended by a further two months in certain circumstances). To exercise any of your rights, please contact us at feedback@metalist.io .

Access

You have the right to access personal information we hold about you, how we use it, and who we share it with. If you believe we hold any other personal information about you, please contact us and complete the corresponding request form.

Portability

You have the right to receive a copy of certain personal information we process about you. This comprises any personal information we process on the basis of your consent or pursuant to our contract with you as described in the section “How We Use Your Personal Information”. You have the right to receive this information in a structured, commonly used and machine-readable format. You also have the right to request that we transfer that personal information to another data processing controller.

If you wish for us to transfer such personal information to a third party, please ensure you detail that party in your request. Note that we can only do so where it is technically feasible. Please note that we may not be able to provide you with personal information if providing it would interfere with another’s rights (e.g., where providing the personal information we hold about you would reveal information about another person or our trade secrets or intellectual property).

Correction

You have the right to correct any personal information held about you that is inaccurate. If you believe we hold any other personal information about you and that information is inaccurate, please contact us at feedback@metalist.io and complete the request form, we will respond within one month.

Erasure

You can delete your account, or remove certain personal information. If there is any other personal information you believe we process that you would like us to erase, please contact us and complete the request form.

You can also exercise your right to restrict our processing of your personal information (as described below) whilst we consider your request.

We may need to retain personal information if there are valid grounds under data protection laws for us to do so (e.g., for the defense of legal claims or freedom of expression) but we will let you know if that is the case. Where you have requested that we erase personal information that has been made available publicly on the Services and there are grounds for erasure, we will use reasonable steps to try to tell others that are displaying the personal information or providing links to the personal information to erase it too.

Restriction of Processing to Storage Only

You have a right to require us to stop processing the personal information we hold about you other than for storage purposes in certain circumstances. Please note, however, that if we stop processing the personal information, we may use it again if there are valid grounds under data protection laws for us to do so (e.g., for the defense of legal claims or for another's protection). As above, where we agree to stop processing the personal information, we will try to tell any third party to whom we have disclosed the relevant personal information so that they can stop processing it too.

Objection

You have the right to object to our processing of personal information about you. We will consider your request in other circumstances as detailed below by contact us and completing the request form.

Announcements

We may from time to time send you announcements when we consider it necessary to do so (such as when we temporarily suspend Services access for maintenance, or security, privacy or administrative-related communications). You may not opt-out of these service-related announcements, which are not promotional in nature.

9. California Resident Rights

If you are a California resident, you have the rights set forth in this section. Please see the "Exercising Your Rights" section below for instructions regarding how to exercise these rights. If there are any conflicts between this section and any other provision of this Privacy Policy and you are a California resident, the portion that is more protective of your personally-identifiable data will control to the extent of such conflict.

Exercising Your Rights

Please follow the instructions and requirements described below when submitting your requests. Requests that fail to comply with any of these instructions and requirements may result in delayed or no response.

To exercise the rights described below as a California resident, you must send us a request (1) that provides sufficient information to allow us to verify that (i) you are the person about whom we have collected personal information, (ii) you, as the requester, are the same person as the data subject for whose information you're requesting (or such person's parent/guardian), (2) that describes your request in sufficient detail to allow us to understand, evaluate and respond to it, (3) that declares, under the penalty of perjury, that you're exercising your rights under the CCPA as a California resident solely for lawful purposes, and (4) in a way that does not and would not unduly burden or otherwise abuse our data request system and/or our Platforms.

Each request that meets all of these criteria, and which is confirmed via email verification, will be considered a "Valid Request."

We may not respond to requests that do not meet these criteria. We will use commercially reasonable efforts to determine whether a request may be for harmful, fraudulent, deceptive, threatening, harassing, defamatory, obscene, or otherwise objectionable purposes, and we reserve the right not to respond to such request. We will only use your personal information provided in a Valid Request to verify your identity and complete your request. You do not need an account on Our Platform to submit a Valid Request.

We will work to respond to your Valid Request within 45 days of receipt. We will not charge you a fee for making a Valid Request unless your Valid Request(s) is excessive, repetitive or manifestly unfounded. If we determine that your Valid Request warrants a fee, we will notify you of the fee and explain that decision before completing your request.

You may submit a Valid Request by mailing us at: feedback@metalist.io .

You may also authorize an agent (an "Authorized Agent") to exercise your rights on your behalf. To do this, you must provide your Authorized Agent with written permission to exercise your rights on your behalf, and we may request a copy of this written permission from your Authorized Agent when they make a request on your behalf.

Access

You have the right to request certain information about our collection and use of your personal information over the past 12 months. In response to a Valid Request, we will provide you with the following information:

- The categories of personal information that you requested and that we have collected about you.
- The categories of sources from which that personal information was collected.
- The business or commercial purpose for collecting your personal information.
- The categories of third parties with whom we have shared your personal information.

- The specific pieces of personal information that you explicitly requested and that we have collected about you.

If we have disclosed your personal information to any third parties for a business purpose over the past 12 months, we will identify the categories of personal information shared with each category of third party recipient.

Deletion

You have the right to request that we delete the personal information that we have collected about you. Under the CCPA, this right is subject to certain exceptions: for example, we may need to retain your personal information to provide you with access to Our Platform or complete a transaction or other action you have requested. If your deletion request is subject to one of these exceptions, we may deny your deletion request.

We Do Not Sell Your Personal information

In this section, we use the term ‘sell’ as it is defined in the CCPA. We do not sell your personal information.

We Will Not Discriminate Against You for Exercising Your Rights Under the CCPA

We will not discriminate against you for exercising your rights under the CCPA. We will not deny you our goods or services, charge you different prices or rates, or provide you a lower quality of goods and services if you exercise your rights under the CCPA. However, we may offer different tiers of our products or services as allowed by applicable data privacy laws (including the CCPA) with varying prices, rates or levels of quality of the goods or services you receive related to the value of personal information that we receive from you.

10. Contact & Complaints

For the purposes of European data protection laws, the Data Controller is Metalist Private Limited.

In the event that you wish to make a complaint about how we process your personal information, please contact us at feedback@metalist.io in the first instance.

11. Changes

If we make any material changes to this policy, we will post the updated policy here and notify our users. Please check this page frequently to see any updates or changes to this policy. When we post changes to this statement, we will revise the "last updated" date at the top of the statement. Please check this page frequently to see any updates or changes to this policy.
